Abstract

The 7th East Asia SIAM Conference will be held at Nishi-Waseda Campus, Waseda University, Japan. The EASIAM conference gathers researchers in applied mathematics with respect to science, engineering and technology. The scope of the EASIAM conference covers all aspects of applied mathematics to science, industry, engineering and technology in the East and South East Asia. Previous EASIAM meetings were held in Hong Kong (1st), Sapporo (2nd), Xiamen (3rd), Daejeon (4th), Brunei (5th) and Kuala Lumpur (6th). EASIAM is a section of Society for Industrial and Applied Mathematics (SIAM). It promotes basic research and education in mathematics, which supports science and technology.
